

The “Win a \$200 gift certificate at your favorite restaurant” Contest

North American Import & Export Co.

April 16, 2009 – May 3, 2009

Contest Rules

- The prize in the “Win a \$200 gift certificate at your favorite restaurant” Contest is a \$200 gift certificate at the restaurant that the winner names in their comment. The named restaurant must be located in the United States. In the event that the named restaurant does not offer gift certificates, the winner can either select another restaurant in the United States or we will send the winner a check for \$200.
- We will identify a winner by using the random integer generator at random.org. Each contestant can only enter once. After we identify a winner, we will check the comments to make sure that the winner entered only once. If the winner entered more than once, they will be automatically disqualified and we will select another winner using the random integer generator at random.org.
- By submitting your comment, you promise that you created it and did not violate copyright law by publishing it on our site. You also agree that we can publish its contents anywhere on www.nafood.com, www.marxfoods.com or www.marxfood.com, or otherwise use it as we see fit.
- You must be a resident of the US over 18 years of age to participate. We can only deliver the prize within the 50 US states. No purchase necessary.
- Comments must be submitted by May 3, 2009 at midnight. We will announce the winner on May 4, 2009. At that time, we will send an email to the email address provided by the contestant. In that email, we will ask to what address (only within the 50 US states) the winning contestant would like to receive their prize. If the winner does not respond within 72 hours, we will select a new winner.
- By participating, you agree to allow MarxFoods.com and/or North American Import & Export Co. to send you notices and promotions via email. If you receive an email from MarxFoods.com or North American Import & Export Co. and wish to no longer receive such notices or promotions, there will be clear instructions on how to unsubscribe at the bottom of the email.
